

ABSTRACT OF THE DISCLOSURE

A removable rooftop for jeep-type vehicles. The rooftop comprises a top wall. Extending approximately perpendicularly from the top wall are first and second side walls. The rooftop is removable and is of a half-cut design. The rooftop is a hard top and is lightweight, allowing a single person to mount or remove the rooftop from the jeep-type vehicle. Additionally, the rooftop comprises a support wall integrated onto the top wall to allow for a sunroof to be installed into the rooftop if desired.
